**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The large majority of the population are individual households or small businesses. We deserve equal service for broadband. As a Psychologist I need fast and immediate access to online records and research. Insurance companies have not raised their payments to me in years, so I cannot afford to pay more for broadband.

please do all you can to diminish the possibility of price hikes to internet and telephone services.  
Thank you, Carol Weser Ph.D.
